 Restaurant's address
 Other, please specify

REQUIRED APPENDICES

- Copy of the restaurant's Trade Register extract.
- Layout drawing indicating the location of the outdoor service area and demonstrating that a minimum of half of the pavement's width, and no less than 150 cm, remains unobstructed outside the terrace.
- The layout drawing must indicate the total width of the pavement, and the dimensions and seat locations (fixtures and structures included) of the outdoor service area.
- Housing company's consent to the restaurant's use of city land for outdoor service.
- A drawing, brochure or photograph of the terrace area's fixtures and structures.

SIGNATURE

The applicant guarantees the accuracy of the information provided in the application, affirms having read the relevant instructions on the Real Estate Department website and authorises the Real Estate Department to check his or her credit history.
